I do certify that I have set down in the above assessment roll all the real property liable to taxation situated in the City of Belleville and that the actual value listed in each case is according to the best of my information and judgment; and also that the said assessment roll contains a true statement of the aggregate amount of the personal property, or of the taxable income, of every party named in the said roll and that I have estimated and set down the same according to the best of my information and belief; and I further certify that I have entered thereon the names of all the resident householders, tenants and boarders and of all other persons who have required their names to be entered thereon with the true amount of property owned or income received by each, and that I have so entered the name of any person whom I do not think to be a household tenant or freeholder or the "owner" or holder of any of the property or in receipt of the income set down opposite his name for taxation here and benefit; and I further certify that according to the best of my knowledge and belief I have entered thereon the name of every person entitled to be entered either as a landholder or tenant or as a wage-earner and have not intentionally omitted thereon the name of any person whom I knew or had good reason to believe was or is entitled to be entered thereon either as a landholder or tenant or as a wage-earner; and I further certify that the date delivery or transmission of the notice required by section forty-one of the assessment act in every case truly and correctly stated on the said roll; and I further certify and affirm that I have not entered the name of any person at a rate or a value or at a value such as to give him a vote or at too high a rate or value to give such person a vote, or for any reason whatever; and that the amount for which each such person is assessed upon the said roll truly and correctly appears on the said roll as delivered or transmitted to me as aforesaid.

In witness whereof  
 Mayor of the City of Belleville
